WHO WE ARE

As a 501(c)(3) nonprofit, the Acara Hospice Foundation is dedicated to supporting individuals with terminal illnesses and their families through compassionate care, meaningful experiences, and practical support. Our mission is rooted in bringing comfort, connection, and hope during life's most tender season.

HOW WE SERVE

Thanks to the generous support of sponsors and partners, the Acara Hospice Foundation is fulfilling its mission through three core pillars of care and compassion:

Patient Wish Grants

We provide one-time grants to bring comfort in crisis or make meaningful wishes come true when time matters most.

Community Education

We empower our community through education and outreach — offering guidance on hospice care, advance care planning, grief support, and access to compassionate end-of-life services.

Hospice House

Our vision includes opening a Hospice Care Home filled with warmth, dignity, and compassion — a sanctuary for those who cannot spend their final days at home. Together, we can create a place where no one has to face the end of life alone.
